Subject: Draft Letter for First Meeting for RI/FS Negotiations Cedar Chemical

Lance & Phillip:

Attached is a draft letter for our meeting with the PRPs.
As previously discussed with you we will have our
first meeting with the PRPs On Thursday
September 18th at 10:00 am.

I have asked our Paralegal Dyiann Twine to
arrange a meeting room that can accommodate
up to 30 people.

Lance---please ensure that the attached draft
letter gets mailed out next week to all the
PRPs and their respective attorneys. Please
edit the draft letter as you deem necessary.

I am leaving on your desk copies of all the
letters and email responses that I received
from the second set of PRPs that I received
during the first week of July, 2014.

Thanks,
